Dear friend of NLEI,

It is with great enthusiasm that NLEI is building for the National Latino Education Institute's First Alumni Leadership Awards Celebration. The event on Friday evening, November 8, will be held at the new Peoples Energy Training Center in Little Village. We will be honoring distinguished alumni Congressman Jesus "Chuy" Garcia including our alumna of the year Susan Olavarria of ComEd and President of CSI 3000 Rey Rivera as our 2019 Emerging Leader.

Originally founded in the late 1960's and incorporated in May 1972 as the Spanish Coalition for Jobs, NLEI was Chicago's first Latino job training organization. From its early days as a worker and jobs advocacy coalition challenging discriminatory hiring practices, NLEI has evolved into a nationally accredited education institution that continues to focus on the well-being of the community. NLEI is a proactive organization, an initiator of programs and services that are needed by community residents and employers in high growth industries.

By participating in this event, you will be helping to continue our efforts, pay tribute to our alumni while enjoying great food and music. A live auction for Southwest Airlines tickets will also be featured. We expect approximately 125 guests including business and civic leaders and the media.

As outlined in the attached form, sponsors will receive excellent recognition before, during, and following the event. Your contribution will be tax-deductible to the extent permitted by law.

On behalf of all those we serve, thank you for your consideration. If you need more information, please freely e-mail us at events@nlei.org or call us at 773-247-0707 ext. 242.

We hope you can join us for this special celebration.

Warm Regards,
