DISCLOSURE

Due to the pandemic, NLEI had to cease regular operations following Illinois mandates.

NLEI did not open new cohorts of students during 2020 and 2021, however focused its efforts on supporting and completing the active cohorts of students in session affected during the pandemic.

Illinois lifted on March 2022 most of the operating restrictions regarding COVID 19.

NLEI will resume academic operation on Fall 2022, and the academic information about the new cohorts will appear on the 2022-2023 reports, which will be available during the second semester of 2023.

* A course of instruction is a stand-alone course that provides instruction that may or may not be related to a program of study, but is either not part of the sequence or can be taken independent of the full sequence as a stand-alone option. A Course of Instruction may directly prepare students for a certificate or other completion credential or it can stand alone as an optional preparation; or in the case of students requiring catch-up work, a prerequisite for a program. A stand-alone course might lead to a credential to be used toward preparing individuals for a trade, occupation, vocation, profession; or it might improve, enhance or add to skills and abilities related to occupational/career opportunities.

} In the event that the school fails to meet the minimum standards, that school shall be placed on probation.

} If that school's passage rate in its next reporting period does not exceed 50% of the average passage rate of that class of schools as a whole, then the Board shall revoke the school's approval for that program to operate in this State. Such revocation also shall be grounds for reviewing the approval to operate as an institution.
